

To the Gent<sup>l</sup>. Selectmen of the Town of Hingham

The undersigned, a legal voter of said Town respectfully represents that an alteration of the line of High Street from Main St. to Friend Street would very much improve the looks of said High Street and be an accommodation to me.

I would therefore request Your Honors to view the premises and if you think proper, make the alteration. And as in duty bound will ever pray

Hingham Oct. 2. 1854

Ezra Wilder
